1 - 4 - The Administration is replacing the Current E.O. 12036, "United States Intelligence Activities," and has targetted 26 Oct. as the date for Presidential signature. Issuance of the New Order will leave the implementing details to each agency to develop to suit its needs. These then will be sent to the Attorney General for approval. OGC has drafted CIA's implementing paper, and in order to save time wants to obtain informal office coordination on the draft. The final version will be sent out for formal coordination before being submitted to the DCI, but they hope there will be no or only very minor changes. The DDO has informally agreed with the draft implementing procedures.

Please make an in-depth review of this draft to insure OS interests are reflected. Specifically, pages 4, 5, 6, 7, 8 and 13, plus appendices B and F are of particular interest. A short deadline has been imposed by OGC. Response to PPG by COB 16 Oct. please. Contact me [redacted] if any questions develop.
